

AVP Local Runway Safety Action Team Meeting

The purpose of this meeting is to assemble individuals who actively engage in the movement of aircraft and vehicles on the Wilkes-Barre/Scranton International Airport (AVP) Operations Area (AOA). During which time a locally focused open discussion on how to improve runway safety can occur. We will discuss the operation of the airport, from both the control tower and the user perspective. We also review any past runway incursions and surface incidents in an effort to learn from some past mistakes. Please register for this event using the link below as seating is limited!

Directions: Meeting will be held in the ARFF (fire station) conference room, parking available in lot across from the fire station, look for FAA Seminar sign.
